

SPECIAL REPORT

Profile

Customised high-impact marketing & sales tool about your company / products / technologies prepared by our team of world-renowned journalists & market experts

MAIN BENEFITS:

- **SPECIALreports add value to your marketing campaign** by telling your story in an editorial manner – thus highly credible – with Cleverdis, the independent reference in the market, endorsing your message
- Thanks to our unique market know-how, we put your message into perspective, by **highlighting your unique added value & benefits** in respect to market requirements and positioning
- **Multi-channel communication:**
 - o Synergies with other Cleverdis publications (SMARTreports) & online tools
 - o Print & online versions

N° OF ISSUES & TIMING:

1 issue, timing upon request

QUANTITIES:

Customised, depending on your requirements (suggested quantity: 6,000 copies)

DISTRIBUTION:

- **By your company:** to sales force, channel, press, internally + at your trade show booths
- **By Cleverdis:** Web-Download & Emailing to Cleverdis databases; Distribution by partners upon request

LANGUAGES & COUNTRY-SPECIFIC CONTENT:

SPECIALreports can be delivered in all main European languages, local contents can be added to each version

CONTENT:

(customised depending on topic, target group & specific requirements)

- Introduction by Cleverdis' editor-in-chief
- Vision statement by a senior executive from your company
- Market overview by key analyst (GfK, Meko, DisplaySearch, etc.)
- Technology explained
- About the product
- Applications and benefits: Case studies
- Unique Selling Points
- Conclusion & Endorsement by Cleverdis
